Frequently Asked Questions

Q. How can I choose which accounts display on my Overview page?

A. Click on the Self Service tab and then select Preferences. Select one account for the History and select up to five accounts for the balances.

Q. What happened to the Loan Payment option?

A. The Loan Payment, Transfer Funds and Loan Advance transfers are now performed from the same page accessed by selecting Transfer Funds from the top menu on the Banking Tab.

Q. How do I change my start page?

A. Click on the Self Service tab and then select Preferences . Select the page you wish to see first from the Default Start Page drop down list.

Q. What happened to the Export option that was previously on the left navigation menu?

A. Export is now done using Export links on the History, Scheduled Payments, Scheduled Transfers and Transfer History pages.

Q. What does the symbol mean that I sometimes see next to a scheduled payment or scheduled transfer?

A. The  icon indicates the transaction is a recurring transaction.

Q. What is staying the same?

A. While the links may have moved around a bit to accommodate the new improved navigation, you will still have access to the same online banking features and they will function the same as they do today. For example, you will still be able to:

- Logon with the same password
- View Account Summary
- Perform transfers between accounts
- Pay Bills – merchants will not need to be reentered
- View Scheduled Payments and Payment History
